Dear Ms. Dodson:

This letter is to advise you that the 07/06/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R400.8128 Staff, volunteer; tuberculosis.	One child care staff members file did not contain written documentation showing the staff member is free from communicable tuberculosis.	I, Ms. Kennedy Armstrong, licensee designee was found in noncompliance of this licensing rule. I will assure that all staff members and unsupervised volunteers who work directly with children have a tuberculosis test completed showing freedom of tuberculosis. Although the staff member had it completed it was misplaced and unable to be located at the time of inspection. I will have the child care staff	07/06/2023

		member get another tuberculosis test verifying she is free from communicable tuberculosis. This violation will be corrected and will be maintained.	
R400.8131(3) Professional development requirements.	One child care staff members file did not contain written documentation on file showing the staff member completed training on the prevention of shaken baby syndrome, abusive head trauma and child maltreatment, and the recognition and reporting of child abuse and neglect through MiRegistry before caring for children.	I, Ms. Kennedy Armstrong, licensee designee was found in noncompliance of this licensing rule. I will assure that all staff members and unsupervised volunteers who work directly with children are trained on prevention of shaken baby syndrome, abusive head trauma and child maltreatment, and recognition and reporting of child abuse and neglect before they care for children. Some of the child care staff members have completed the training but is having difficulty linking the training completed through MiRegistry to the center therefore there is no written verification showing completion of the training. I am currently working with MiRegistry to try and resolve this issue. I will have all of the staff members complete the above-mentioned training through MiRegistry and keep the successful completion of their training on file while they are employed with the center. This violation will be corrected and will be maintained.	07/06/2023
R400.8131(5) Professional development requirements.	One child care staff members files did not have written documentation on file verifying completion of the following trainings, administration of medication, prevention of and response to emergencies due to food and allergic reactions,	I, Ms. Kennedy Armstrong, licensee designee was found in noncompliance of this licensing rule. I will assure that all staff members and unsupervised volunteers who work directly with children are trained on the above-mentioned health and safety preparedness topics within 90	07/06/2023

	<p>building and physical premises safety, emergency preparedness and response planning, handling and storage of hazardous materials and appropriate disposal of bio-contaminants, precautions in transporting children (if applicable), and child development through MiRegistry within 90 days of being hired.</p>	<p>days of being hired or before unsupervised volunteers care for children. Some of the child care staff members have completed the training but is having difficulty linking the training completed through MiRegistry to the center therefore there is no written verification showing completion of the training. I am currently working with MiRegistry to try and resolve this issue. I will have the staff members complete the above-mentioned training through MiRegistry and keep the successful completion of their training on file while they are employed with the center. This violation will be corrected and will be maintained.</p>	
<p>R400.8380(1) Maintenance of premises.</p>	<p>A deck board on the steps leading to the center was loose and in need of repair.</p>	<p>I, Ms. Kennedy Armstrong, licensee designee was found in noncompliance of this licensing rule. I have resecured the step deck board to the stairway by screwing in new screws to the deck board to assure it is not a tripping hazard for the children and parents entering the facility. This violation has been corrected and will be maintained.</p>	<p>07/06/2023</p>

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,

A handwritten signature in black ink, appearing to read "Timothy A. Swope". The signature is written in a cursive style with a long horizontal stroke at the end.
