Dear Ms. DeRuyver:

Attached is your renewal inspection report. You can find a copy of this renewal inspection report and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when renewal inspection reports are completed can be found under [Overview of Licensing Reports](#).

During the renewal inspection on 4/4/2022, I found *5 violations*. The violations are listed below and explained in the attached report:

- | | |
|-------------------|---|
| R 400.8128 | Staff; volunteer; tuberculosis. |
| R 400.8131 | Professional development requirements. |
| R 400.8131 | Professional development requirements. |
| R 400.8131 | Professional development requirements. |
| R 400.8146 | Information provided to parents. |

Due to the violations, you must send us a corrective action plan by 4/19/2022. You can use our [corrective action plan](#) form or create your own.

If you need help writing the corrective action plan, please contact me. If you do not send a corrective action plan, you may face disciplinary action. The corrective action plan must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific time frames for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the responsible party and a date.

Upon receipt of an acceptable corrective action plan, a regular license will be issued. You will receive it in the mail.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at 517-284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care center administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the center’s records, including staff records and children’s records. Staff records include background checks and training information. Children’s records include child information cards, physical examination dates, and immunizations.

During the inspection, the center was found to be in compliance with all applicable rules and statutes except for the following violations:

R 400.8128 Staff; volunteer; tuberculosis.

A center shall keep on file at the center evidence to verify that each child care staff member and each volunteer who has contact with children at least 4 hours perweek for more than 2 consecutive weeks is free from communicable tuberculosis (TB). Verification of TB status is required within 1 year before employment or volunteering.

I reviewed 9 staff files, 1 staff did not have her TB record on file.

R 400.8131 Professional development requirements.

(12) When the department of licensing and regulatory affairs or the department of education publishes a notice that a new health and safety update document or a new health and safety update training activity has been published on MiRegistry, the licensee shall ensure that all personnel read and acknowledge the document or complete the activity within 6 month of the notice.

In Multiple staff members did not have 2021 health and safety refresher completed.

R 400.8131 Professional development requirements.

(5) Within 90 days of being hired, or the first day as an unsupervised volunteer, all child care staff members and unsupervised volunteers who work directly with children shall complete the following trainings, which may count toward annual professional development hours and are available at MiRegistry:

- (a) Administration of medication.
- (b) Prevention of and response to emergencies due to food and allergic reactions.
- (c) Building and physical premises safety.
- (d) Emergency preparedness and response planning.
- (e) Handling and storage of hazardous materials and appropriate disposal of bio-contaminants.
- (f) Precautions in transporting children, if applicable.
- (g) Child development.

Three staff members who have worked unsupervised with children have not completed the health and safety training.

R 400.8131

Professional development requirements.

(6) All child care staff members who work directly with children shall complete 16 clock hours of professional development annually on topics relevant to job responsibilities that include, but are not limited to, any of the following subjects:

- (a) Child development and learning.
- (b) Health, safety, and nutrition.
- (c) Family and community collaboration.
- (d) Program management.
- (e) Teaching and learning.
- (f) Observation, documentation, and assessment.
- (g) Interactions and guidance.
- (h) Child care center administrative rules.

5 staff members did not have a total of 16 hours of training completed for 2020 or 2021.

R 400.8146

Information provided to parents.

(1) A center shall provide a written information packet to each parent enrolling a child that includes at least all of the following:

- (h) Parent notification plan for accidents, injuries, incidents, and illnesses.

The center did not have incidents and accidents plans written in the handbook for families.

IV. RECOMMENDATION

Upon receipt of an acceptable Corrective Action Plan, I recommend issuance of a regular child care center license.
