### Findings of the Inspection

**Purpose of Addendum:** The Preschool and Toddler classrooms were redefined. The square footage extended to the stage area to increase the capacity of the Toddler Classroom. The capacity in the Preschool Classroom will be maintained at 30 children due to maximum group size requirements.

**Findings and Conclusions:** The terms of the original license have been modified on April 1, 2024:

- April 1, 2024- During an inspection on March 26, 2024, the consultant remeasured the Toddler and Preschool Classrooms. The Toddler and Preschool Classrooms are located in the same room; separated by furniture. The Preschool and Toddler classrooms were redefined. The square footage extended to the stage area to increase the capacity of the Toddler Classroom for 10 children ages 12 months through 30 months. The capacity in the Preschool Classroom will be maintained at 30 children due to maximum group size requirements. Please note, the change in space does not affect the license capacity.

If you have questions regarding the report, please contact licensing consultant, Thanh Biehl at (734) 417-8580 or biehl@michigan.gov. In the event that Thanh Biehl is not available and you need to speak to someone immediately, please contact the Child Care Licensing Bureau at 517-284-9730.

### Description of Facility

The child care center is located in a neighborhood in Brighton, MI. The child care program operates Monday through Friday from 7:00 am to 6:00 pm, year-round. The program offers full and part-time care for children ages birth through 12 years old, and a before and after school care for school-age children.

The child care center does not provide any snacks, meals, or transportation. Parents are responsible for all of these components.

There is no swimming component.

A lead hazard risk assessment was completed on June 2, 2017 by Megan Carlisle with ASTI Environmental, Certification # P07114.

### Approved Child Use Space

The licensee/ licensee designee understands that the ratio of child care staff member to children and the maximum group size is determined by the youngest child in the room. Equipment in the room must be appropriate for the ages of the children in the room.
