IV. Description of Findings and Conclusions

The terms of the original license have been modified on April 24, 2023, and September 12, 2023.

- April 24, 2023 - On January 13, 2023, the licensee, Mrs. Amy, submitted a modification form to: Approve a new classroom for the school-age summer camp, increase the capacity will increase from 27 to 34, and change the days of operation, add Saturday 7:00 A.M. -5:30 P.M.
- September 12, 2023 - On August 1, 2023, licensee, Ms. Julie Amy, submitted a modification request form to: Add GSRP and preschool program, add rooms (Multi-Purpose, Math/Science, Dramatic Play/Block, Library and Lunch/Art Room), and increase capacity from 34 to 65.

The child care center is located in Community Congregational Church in Pinckney, MI. The child care program has a GSRP program, preschool and school-age summer program. It offers full and part time care for children ages 3 years through 12 years of age.

The preschool program operates Monday through Saturday from 6:00 am to 5:30 pm., year-round. There is no swimming or food service. Parents are responsible for providing lunches for their child. The center will provide morning and afternoon snacks.

The summer program operates Monday through Saturday from 6:00 am – 5:30 pm, June through August, for school-age children. There is no swimming or food service. Parents are responsible for providing snacks and lunches for their child. The child care program will use public transportation for field trips, the Livingston Essential Transportation Service (L.E.T.S.).

The child care program will be using classrooms located on the lower level of the church. **The approved space is as follows:**

School-Age Wing (this area is approved for children ages 3 years through 12 years old):

- **Main Room** is measured at 23.33×19.17 plus $17.42 \times 16.0 = 725.80$ total sq. ft. At 35 square feet per child, the capacity of this room is 21 children.
- **Activity Room** is measured at $16.83 \times 12.25 = 206.20$ sq. ft. At 35 square feet per child, the capacity of this room is 6 children.
- **Lunch Room** is measured at $20.0 \times 12.0 = 240.0$ sq. ft. At 35 square feet per child, the capacity of this room is 7 children.

Preschool Wing (this area is approved for children ages 3 years through 12 years old). The children will meet in the Multi-Purpose Room and then break in to the respective groups:

- **Multi-Purpose Room** is measured at $19.17 \times 17.5 = 335.41$ total sq. ft. At 35 square feet per child, the capacity of this room is 10 children.
- **Math/Science** is measured at $11.42 \times 11.17 = 127.47$ total sq. ft. At 35 square feet per child, the capacity of this room is 4 children.
- **Dramatic Play/Block** is measured at $20.50 \times 11.75 = 240.88$ total sq. ft. At 35 square feet per child, the capacity of this room is 7 children.
- **Library** is measured at $9.75 \times 11.50 = 112.13$ total sq. ft. At 35 square feet per child, the capacity of this room is 3 children.
- **Lunch/Art Room** is measured at $21.17 \times 11.58 = 245.17$ total sq. ft. At 35 square feet per child, the capacity of this room is 7 children.

The capacity of the center at any one time cannot exceed 65 children.

There is a total of eight toilets, seven hand washing sinks and one urinal available to the children in care:

- There is a bathroom located down the hallway from the rooms with one toilet and one hand washing sink.
- There is a bathroom located directly from the main stairway with two toilets and two hand washing sinks.
- There are girls' and boys' bathrooms located on the main level. The girls' bathroom has three toilets and two hand washing sinks. The boys' bathroom has two toilets, one urinal and two hand washing sinks.

The children in care will be using the public park located across the street from the center. The playground is fenced with a climbing structure. A playground inspection is not required.

There are no water hazards near the child care center or playground.

The church was built in 1992. A lead hazard risk assessment is not required. School-age program only.

V. Recommendation

I recommend approving the following:

- Adding GSRP and preschool program,
- Adding rooms (Multi-Purpose, Math/Science, Dramatic Play/Block, Library and Lunch/Art Room), and
- Increasing the capacity to 65.
