The actual TB test will be housed at the administration office instead of each individual facility.

Key Indicator Inspection: no.

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care center administrative rules and statutes. Verification of compliance included direct

observations of the physical environment and the program, discussions with staff, and a review of the center's records, including staff records and children's records. Staff records include background checks and training information. Children's records include child information cards, physical examination dates, and immunizations.

The facility is in compliance with all applicable rules and statutes.

Note: The before and after school age program was not in operation during the 2022-2023 school year due to staffing.

IV. RECOMMENDATION

I recommend issuance of a regular license to this childcare center.
