III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care center administrative rules and statutes. Staff records include background checks and training information. Children's records include child information cards, physical examination dates, and immunizations.

During the inspection, the center was found to be in compliance with all applicable rules and statutes except for the following violations:

The licensee designee's submitted a staffing plan with only 3 ccsms listed, however there are 22 people listed as ccsms on the ccbc fingerprint system.

IV. RECOMMENDATION
