06/26/2023 Modification request received.
08/02/2023 Inspection completed-full compliance. No onsite needed.

IV. Description of Findings and Conclusions

During the 05/23/2023 onsite inspection, room 303 was no longer being used as child use space and had been repurposed for other purposes.

Roseville-Green Elementary (previously named Roseville- Huron Park Latchkey) is owned and operated by Roseville Community Schools. The name of the school was changed in 2022. The following rooms are approved for child care use:

Room 305 measures 27 feet by 23 feet and 22 feet by 5 feet for a total of 731 square feet of usable child care space. Based on 35 square feet per child, the room capacity is 22 children ages 3 through 5 years. The licensee has requested a room capacity of 16 children.

Room 307 measures 27 feet by 23 feet and 22 feet by 5 feet for a total of 731 square feet of usable child care space. Based on 35 square feet per child, the room capacity is 22 children ages 3 through 5 years. The licensee has requested a room capacity of 16 children.

Room 309 measures 27 feet by 23 feet and 22 feet by 5 feet for a total of 731 square feet of usable child care space. Based on 35 square feet per child, the room capacity is 22 children ages 3 through 5 years. The licensee has requested a room capacity of 16 children.

Room 311 measures 27 feet by 23 feet and 22 feet by 5 feet for a total of 731 square feet of usable child care space. Based on 35 square feet per child, the room capacity is 22 children ages 3 through 5 years. The licensee has requested a room capacity of 16 children.

The cafeteria (previously the gym) has 3066 square feet of usable child care space. Based on 35 square feet per child, the room capacity is 88 children at any one time.

The gym measures 75 feet by 31 feet for a total of 2325 square feet of usable child care space. Based on 35 square feet per child, the room capacity is 66 children at any one time.

The licensee has requested approval of the following rooms for school age child care only:

Room 101 is the care room. The room measures 28 feet by 27 feet for a total of 756 square feet of usable child care space. Based on 35 square feet per child, the room capacity is 22 children at any one time.

Room 301 is the art room. The room measures 30 feet by 23 feet and 6 feet by 20 feet for a total of 810 square feet of usable child care space. Based on 35 square feet per child, the room capacity is 23 children at any one time.

Room 400 is the library. The room measures 37 feet by 36 feet for a total of 1332 square feet of usable child care space. Based on 35 square feet per child, the room capacity is 38 children at any one time.

The license has requested that the previous capacity of 130 children remain the same. There is sufficient equipment for the requested capacity.

There are 14 sinks, 14 toilets and 3 urinals available for children's use. Additional toilets and sinks are available for children's use throughout the school.

Environmental health and lead risk assessments were conducted at original issuance and subsequent modifications.

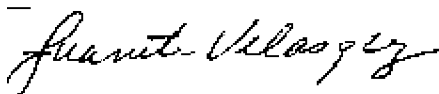

Terms:

The center is approved for a total of 130 children ages 3 to twelve years.

The center offers full day GSRP from 8:50a.m. to 3:45p.m. The center also offers before and after school age child care.

V. Recommendation

I recommend removal of room 303 from the terms of the license.
