Dear Ms. Bruyneel:

This letter is to advise you that the 03/28/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R400.8131 (12) Professional development requirement.	There was a ccsbm who did not complete the required Health and Safety Refresher from 2022 as required.	The licensee designee will ensure the ccsbm completes the required refresher training within 10 days.	04/10/2023
R400.8380 (4) Maintenance of premises.	There were chipped/cracked floor tiles in room #247 which can pose a tripping hazard.	The licensee designee will immediately email the maintenance department to notify them of the needed repair and will develop a plan for resolution before the new school year.	03/28/23 (email) & repairs by 08/31/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.
