R 400.8131 (12) Professional development requirements.	Eight child care staff members who were required to take the 2021 Health and Safety refresher training did not complete the training.	Mrs. Malkar and the office administrator will ensure that the Health and Safety refresher trainings are completed within six months of release.	12/02/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517)284-9730.
