Dear Laura Dixon,

This letter is to advise you that the 5/14/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8170(16)	During the inspection I observed that the playground's shock absorbing surface had several large holes where you could see the hard packed dirt. Several of these holes are tripping hazards for children running or walking on the playground.	The playground surface will be repaired in May 2024. Plans to replace the surface are being developed and will be solidified once the 24-25 budget is in place.	May 24

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
