RE: License #:	DC500274732 Treasured Friends Day Care 67350 Main St Richmond, MI 48062
----------------	---

Dear Ms. Kramer:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 11/29/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

The violations that were found are:

R 400.8330	Food services and nutrition generally.
	(22) Infants or toddlers shall not have bottles, beverage containers, or food in sleeping equipment.
During the onsite inspection, I observed a toddler in his crib drinking from a bottle.	

Due to the violations, you must send us a corrective action plan by 12/21/2022. You can use our [corrective action plan](#) form or create your own.

If you need help writing the corrective action plan, please contact me. If you do not send a corrective action plan, you may face disciplinary action. The corrective action plan must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific time frames for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the responsible party and a date.

Upon receipt of an acceptable corrective action plan, there will be no change to your license status.

corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,
