Dear Ms. Flanagan:

This letter is to advise you that the 04/27/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8137(1)(f) Diapering; toileting.	In the infant room, the diapering area was washed twice and rinsed. The diapering area was not washed, rinsed, and sanitized as required by the rule.	The program director, Ms. Sikora, has reviewed the appropriate three step process with all child care staff members in the building	04/27/2023
R 400.8137(6) Diapering; toileting.	On 11/29/2022, Child A was changed at 9:56a.m. and 12:46p.m. indicating that there were two diaper changes in the seven hours that Child A was in care. A diaper change or check	Ms. Sikora retrained staff to ensure that children's diapers frequently and when soiled. Child care staff members will also document diaper changes in the app.	04/27/2023

	was not conducted between 12:46p.m. and 3:21p.m. when Child A was picked up.		
R 400.8173 (4)(b) Equipment.	Soiled and mouthed toys are not being washed, rinsed, and sanitized appropriately. Child care staff members are using different methods including spraying with a sanitizer or submerging the toys in a cleaner labeled non-food contact cleaner.	Ms. Sikora has retrained staff to ensure that soiled toys are washed, rinsed and sanitized at the end of each night.	04/27/2023
R 400.8325(1) Sanitization.	Child care staff members are using various steps to sanitize multi-purpose tables including multiple wash steps, but tables are not washed, rinsed, and sanitized appropriately. Additionally, a non-food contact cleaner is also being used.	Ms. Sikora has retrained staff to ensure that all multi-use tables will be washed, rinsed and sanitized before and after meals.	04/27/2023
R 400.8325(4)(a)(b) (c)(d) Sanitization.	Children's tableware was being washed and rinsed in the infant classroom. The tableware was not sanitized after being washed and rinsed. The classroom does not have a two-compartment sink thus requiring the tableware be sent to the kitchen to be washed, rinsed, and sanitized appropriately.	Ms. Sikora has retrained staff to ensure that tableware is sent to the kitchen to be washed, rinsed and sanitized in the three-compartment sink.	04/27/2023
R 400.8330(3) Food services and nutrition generally.	Child A's daily sheets for 11/18/2022, 11/29/2022 and 12/05/2022 showed that Child A did not receive beverages and food appropriate to Child a's nutritional and developmental stages.	Ms. Sikora has retrained staff to ensure that children are fed according to their developmental needs and their feedings are logged in the app.	04/27/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. If I am not available and you need to speak to someone immediately, you may contact the local office at (517)284-9730.
