IV. Description of Findings and Conclusions

The following rooms were previously inspected and approved for child care use:

The preschool room(4-5 years old) measures 40 feet by 14 feet for a total of 560 square feet of usable child care space. The preschool room will be used by school age children when they are in care. The room capacity is 16 children over 30 months, based on 35 square feet per child.

The preschool room (30 months-3 years old) measures 36 feet by 16 feet and 15 feet by 9 feet for a total of 711 square feet of usable child care space. Although the room capacity is 20 based on 35 square feet per child, the group size is 16 children at any one time.

The toddler room (12 months to 30 months) measures 16 feet by 14 feet for a total of 224 square feet of usable child care space. The room capacity is 5 children under 30 months, based on 50 square feet per child.

The infant room (3 months to 12 months) measures 10.5 feet by 15 feet and 11 feet by 10 feet for a total of 268 square feet of usable child care space. The room capacity is 5 children under 30 months, based on 50 square feet per child.

The total center capacity is 42 ages birth to 12 years.

The reading area by the front desk is also approved for child care use, but is not counted towards the center's overall capacity. The basement and garage are not approved for child care.

The licensee has a more than adequate supply of developmentally appropriate play equipment and furniture for the center capacity of 42. The licensee has obtained additional age appropriate equipment for school age children.

The infant and toddler rooms each have a designated diapering and food prep sink. There are a total of 4 toilets, 1 urinal, and 10 sinks in the center. There is an adequate number of toilets and sinks available for the capacity of 42.

TERMS:

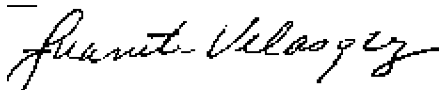

The licensee will provide care to children ages birth to 12 years. The hours of operation are Monday through Friday from 6:30a.m. to 6:00p.m. The facility operates year round and offers full or part time care.

School age care may be offered during holidays and vacations.

Transportation and swimming are not offered.

V. Recommendation

I recommend approval of school age child care at the center and a change in the age range to include children ages birth to 12 years.
