Dear Ms. Washington:

This letter is to advise you that the 04/13/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

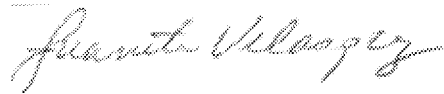

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8188(3) Sleeping, resting and supervision.	During the 04/13/2023 follow up inspection, I observed an infant sleeping on a cot in the infant room. The program director indicated that the baby prefers to sleep on the cot and does not like sleeping in the crib.	Ms. Washington will ensure that infants sleep in a crib or porta-crib and not on cots. All infant/toddler caregivers will be retrained on safe sleep practices.	Immediately discontinue napping on cot. Safe sleep training to be completed within 20 days of violation.

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation will be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, you may contact the local office at (517)284-9730.

Sincerely,
