Dear Ms. Glenn:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 06/16/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

The violations that were found are:

R 400.8131

Professional development requirements.

(5) Within 90 days of being hired, or the first day as an unsupervised volunteer, all child care staff members and unsupervised volunteers who work directly with children shall complete the following trainings, which may count toward annual professional development hours and are available at MiRegistry:

- (a) Administration of medication.
- (b) Prevention of and response to emergencies due to food and allergic reactions.
- (c) Building and physical premises safety.
- (d) Emergency preparedness and response planning.
- (e) Handling and storage of hazardous materials and appropriate disposal of bio-contaminants.
- (f) Precautions in transporting children, if applicable.
- (g) Child development.

During a review of the records I found that staff had not completed the initial Health and Safety Training courses.

Due to the violations, you must send us a corrective action plan by 7/7/2022. You can use our corrective action plan form or create your own.

If you need help writing the corrective action plan, please contact me. If you do not send a corrective action plan, you may face disciplinary action. The corrective action plan must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific time frames for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the responsible party and a date.

Upon receipt of an acceptable corrective action plan, there will be no change to your license status.

You can find a copy of this inspection letter and any associated corrective action plans on our website under Statewide Search for Licensed Child Care Centers and Homes. A description of when inspection letters are completed can be found under Overview of Licensing Reports.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,
