II. Purpose of Addendum

The licensee has requested a change in use space to combine infants and toddlers and change the toddler classroom to a preschool classroom. The licensee has also requested a change in ages served from birth to 3 years to birth to 4 years.

III. Methodology

12/20/2021 Written modification request received.
01/03/2022 Onsite inspection completed.
01/03/2022 Inspection completed-full compliance.

IV. Description of Findings and Conclusions

The child care center is located in a commercial plaza in Clinton Township. There are two rooms approved for child care use.

The infant/toddler room measures 19.3 feet by 33.8 feet for a total of 652 square feet of usable child care space. The room capacity is 13 children under 30 months. The group size for this age group is 12 children at any one time. The licensee has requested a room capacity of 12 children to maintain the applicable group size.

The preschool classroom (previously the toddler classroom) measures 19.4 feet by 29 feet and 12 feet by 8 feet for a total of 659 square feet of usable child care space. The room will be used for children over 30 months of age. The room capacity is 18 children. The licensee has requested a room capacity of 16 children.

The center has an adequate and varied supply of developmentally appropriate children's equipment and furniture for the requested capacity of 28.

There are six sinks and two toilets in the center. This is sufficient for the requested capacity of 28.

The outdoor play area is located behind the building and is fenced in. There are no water hazards on or adjacent to the premises.

Lead risk, fire safety and environmental health inspections were conducted at original issuance.

TERMS:

The center provides care to children ages birth thru 4 years of age.

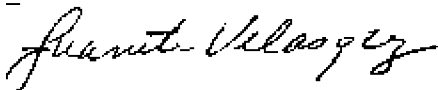

The hours of operation are Monday through Friday from 6:00a.m. to 7:00p.m. The program operates year round.

Both full and part time child care are offered.

The center provides food to children in attendance. Breakfast, lunch and an afternoon snack are provided.

V. Recommendation

I recommend approve of the change in age range to include children through 4 years of age. I also recommend approval of the change in use space and increase in capacity from 24 to 28 children.
