Dear Ms. Smith:

This letter is to advise you that the 03/22/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8152(2) Medication; administrative procedures.	Written permission slips were not obtained for one prescription medication and one nonprescription medication.	Ms. Smith will ensure that prior written permission is obtained from the child's parent for medications.	Ongoing
R 400.8152(4) Medication; administrative procedures.	A child's prescription medication did not have the pharmacy label with the required information.	Ms. Smith will ensure that the pharmacy label is attached with the child's medication so that all of the required information is available.	Ongoing

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (810) 787-7031.

Sincerely,
