Dear Mr. and Ms. Marshall:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 05/10/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

The violations that were found are:

R 400.8134 Hand washing.

- (3) Staff and volunteers shall ensure that children wash their hands at all of the following times:
 - (a) Before meals, snacks, or food preparation experiences.

During the onsite inspection, children in the infant room were transferred directly from the stroller to the table for lunch. The children's hands were not washed before lunch.

R 400.8137 Diapering; toileting.

- (1) Except as provided in subrule (2) of this rule, diapering must occur in a designated diapering area that complies with all of the following:
 - (f) Is washed, rinsed, and sanitized after each use.

During the onsite inspection, I observed the diapering table washed with an all in one cleaner and sanitizer. The diapering table was not washed, rinsed and sanitized after use.

On 5/10/2022, you provided acceptable written corrective action plan.
