Dear Ms. Trucks:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 01/19/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

At the time of this onsite inspection, there were 16 children in care and 3 child care staff members. During this inspection, I observed nap/rest time, snack, and dismissal. Caregivers interacted with children in a developmentally appropriate manner. The needs of children were met immediately and in a caring manner. There were no safety concerns.

As a result of the inspection, I did not find any rule or law violations.

Technical Assistance and Consultation were provided on the following:

R 400.8134 Hand washing

- (1) Hand washing means to cleanse hands with soap and warm running water for at least 20 seconds.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0

Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
