RE: License #: DC510087438
Great Beginnings Child Dev Ctr
Bear Lake Center

Bear Lake, MI 49614

Dear Ms. Nowak:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 12/04/2019. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

At the time of this inspection, the preschool program had released children for the day. Child care was being provided to 12 children with 4 caregivers being present. Children were preparing for rest time. Children who did not wish to nap were provided with quiet activities that they could do on their mats. There were 7 children and 1 caregiver present in the GSRP preschool program. Children were observed playing with play dough. All caregivers interacted with children in a caring and developmentally appropriate manner.

As a result of the inspection, I did not find any rule or law violations.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (616) 356-100.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,
