RE: License #: DC520387038
Kids Club CDC, LLC

Dear Ms. Williams:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 09/12/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations.

During the inspection, technical assistance was provided regarding parent labeling of infant bottles to require full last name of the child, as one room had bottles with only the last name initial.

I observed children having rest time, playing outdoors, and receiving appropriate care and supervision. The child care staff members have been completing further training, with many obtaining their CDA (Child Development Associate) credential.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our website under Statewide Search for Licensed Child Care Centers and Homes. A description of when inspection letters are completed can be found under Overview of Licensing Reports.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in cursive script that reads "Anne O'Neill".
