Dear Ms. Taylor:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 06/07/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the onsite inspection, I observed two sections of preschool. The other three classrooms had closed for the summer. I observed choice time, circle, and morning routines. I observed child care staff members redirecting children as well as interacting and working with them. I also observed toileting and hand washing.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
