Dear Ms. Tyndall:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 04/13/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the onsite inspection, I observed two sections of preschool. I observed center time, clean up, and transition to outdoor play. All interactions between staff and children were positive and appropriate. Appropriate care and supervision were provided.

As a result of the inspection, I did not find any rule or law violations.
