RE: License #: DC530409274
Ludington Area Schools Preschool

Ludington, MI 49431

Dear Ms. Trevino:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 05/01/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the onsite inspection, I observed five sections of preschool. The activities I observed were centers, circle time with a number activity, play in the large motor area, including bikes and balls, and free play. I also observed children clean up in the classroom and the large motor area and children departing for the day. In all rooms, appropriate care and supervision was provided and staff appeared bonded with the children.

As a result of the inspection, I did not find any rule or law violations.

During the exit conference, technical assistance/consultation was provided regarding the following:

- I reviewed the required timelines for the health and safety trainings with Ms. Trevino.
- I informed Ms. Trevino that subs must complete the health and safety trainings as well as the refreshers as necessary.
- Prior to my arrival, Ms. Trevino submitted her transcripts to be approved as a program director.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	1

Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
