Dear Ms. Mitchell:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 05/04/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations. During the interim inspection, there were nine children and two child care staff members (CCSM) present. I was able to examine the classroom for any child safety issues and none were found. I was also able to observe children engaged in group activities such as circle time, early literature, handwashing and transition to nap/quiet time. CCSM interactions with children were noted to be positive and focused on the individual needs of the children in their care.

<b>During calendar year 2020:</b>	<b>Total</b>
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at 517-284-9730.
