Dear Ms. Firman:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 12/03/2020. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations. During the inspection, I observed 12 children being cared for by three child care staff members. Children were engaged in a variety of activities during the inspection including meal, meal clean-up/hand washing, and transition to quiet time. All caregiver interaction with the children were noted to be appropriate and focused on the individual needs of the children. When redirection was needed, it was provided in a kind and supportive manner.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
