Dear Ms. Ecker:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 02/02/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the onsite inspection I observed three preschool classrooms, and four infant/toddler rooms. I observed lunch, choice time, and music/singing. I observed child care staff members interacting positively with the children.

As a result of the inspection, I did not find any rule or law violations.

During the exit conference, I provided technical assistance/consultation on the following:

- Ensuring the Child Care Background Check (CCBC) system is up to date.
- Child information cards should be checked for completion at the time of enrollment.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A
