Findings of the Inspection

Purpose of Addendum: The licensee designee requested that the age range for the multipurpose room be changed to accommodate children ages 6 weeks to 12 years.

Findings and Conclusions: The multipurpose room has a capacity of 17 children ages 30 months and up, and a capacity of 12 for infants and toddlers. Ratio and group size requirements are always based on the youngest child present in any mixed age group of children.

If you have questions regarding the report, please contact licensing consultant, Sara Schalk at (231) 340-2730 or schalks@michigan.gov. In the event that Sara Schalk is not available and you need to speak to someone immediately, please contact the Child Care Licensing Bureau at 517-284-9730.

Description of Facility
The child care center is a standalone building located in Morley, Michigan.

Approved Child Use Space

The licensee/ licensee designee understands that the ratio of child care staff member to children and the maximum group size is determined by the youngest child in the room. Equipment in the room must be appropriate for the ages of the children in the room.
