Dear Alexandria Blanzly,

This letter is to advise you that the 11/2/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8131(4)	Child care staff member did not complete training in the prevention and control of infectious disease, including immunizations, prior to having unsupervised contact with children.	All staff will go through new hire orientations where they complete all trainings that are necessary before start date.	11/10/2023
R 400.8131(5)	Child care staff member did not complete required trainings within 90 days of being hired, or before having unsupervised contact with children.	All staff will go through new hire orientations where they complete all trainings that are necessary before start date.	11/10/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
