Dear Ms. Berchert:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 12/15/2020. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

There were no rule violations. During my on-site visit, the children were engaging in free play, an art project and making a book.

As a result of the inspection, I did not find any rule or law violations.
