Dear Ms. Fauver:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 01/18/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the onsite inspection I observed snack, handwashing and children transitioning to the after-school care program. I observed parent pick up. Records were organized and readily available.

As a result of the inspection, I did not find any rule or law violations.

I provided technical assistance on the following rule:
R400.8143 (2) Child's records.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	
Number of deaths that occurred in the facility.	
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A

description of when inspection letters are completed can be found under Overview of Licensing Reports.

Please contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, please contact the local office at 517-284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in cursive script that reads "Tania Allard".
