Dear Ms. Squires:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 06/04/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

There were no rule violations. During my onsite inspection, the children were engaged in free play, meal time and large circle. The interaction between the child care staff and the children was positive.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2020:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
