Dear Ms. Bradbury:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 09/08/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the inspection I observed napping, large circle time with gross motor skill development with singing and dancing, transitioning from one activity to another, handwashing after toileting, and children being directly supervised while playing with manipulatives developing fine motor skills. Records were readily available and organized. All employees were current with CPR certification. Staff were nurturing and responsive to the needs of the children

There were no rule violations.

As a result of the inspection, I did not find any rule or law violations.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at 517-284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

Tania Allard
