Dear Ms. Lambdin:

This letter is to advise you that the 03/29/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

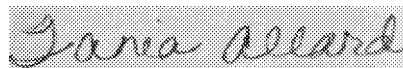

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8143 (2)(a) Children's records.	Four of 11 records reviewed did not have a certificate of immunization showing a minimum of 1 dose of each immunizing agent specified by the department of health and human services (DHHS).	Program director will ensure all children's records contain verification of immunizations by sending reminders out to the parents to bring back the forms provided to them. The program director will review files twice a year to ensure ongoing compliance with this rule.	Reminders to go out immediately (3/29/2023); all children's records will be complete no later than 4/22/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.
