Dear Ms. Clark:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 07/12/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the onsite inspection, I observed the children engaged in free play activities upon arrival. Children were observed playing with age-appropriate toys. I observed children during snack time. I observed children engaged in large motor activities while playing in the gym. Children were observed riding bikes, running, and playing with balls. I also observed child care staff members, parents, and children during pick up time. The children appeared happy and well bonded to the child care staff members.

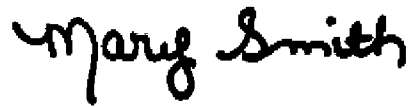

As a result of the inspection, I did not find any rule or law violations.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at 517-284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in black ink that reads "Mary Smith". The script is cursive and fluid, with the first name "Mary" and last name "Smith" clearly distinguishable.
