RE: License #: DC560408645
Learning Tree Cooperative Preschool

Dear Mrs. Rill:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 02/08/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the onsite inspection I observed lunch, handwashing, transitioning between activities and outdoor play. I observed staff to be thoroughly engaged with the children in gross motor skill development, imaginative and dramatic play, and children seeking out their child care staff members for comfort, assistance, and conversation. I observed staff responding appropriately and in a nurturing way to children and their various needs. I observed staff counting children during transitions. I observed parent pick up. Records were organized and readily available. Children participating in this program are thriving.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
