RE: Application #: DC560411783
Wonderfully Made Preschool LLC
203 Jefferson St.
Coleman, MI 48618

Dear Ms. Lewis:

Attached is the Original Licensing Study Report for the above referenced facility. The study has determined substantial compliance with applicable licensing statutes and rules. Therefore, an original license with a maximum capacity of 16 is issued.

Please review the attached documentation for accuracy and contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael W. Skonieczny".

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

A. Description of Facility

Wonderfully Made preschool is located inside First United Methodist Church at the corner of Jefferson St. and Fourth St. in Coleman, MI. The classroom is on the west side of the building.

Approved space (room numbers, sizes, capacity and ages of children for which each room/well-defined space is approved, etc.):

- **Preschool Classroom** – This room measures 40 feet X 15 feet providing a total of 600 square feet. This is sufficient space for the requested 16 preschool aged children.
- **Director's office** – This room measures 10 feet X 14 feet providing a total of 140 square feet. This office is primarily used for administrative purposes but could occasionally serve as a meeting spot for parents or as an isolation area if a child is ill. This room will not be used to determine capacity.

Equipment: The center has adequate developmentally appropriate equipment for 16 preschool aged children. Equipment includes, blocks, imaginative play items, books, puzzles, board games, art supplies, and educational manipulatives.

Number of sinks and toilets: There are two group restrooms located adjacent to the classroom. The boys' restroom has 3 toilets, 2 urinals, and 3 handwashing sinks. The girls' restroom contains 5 toilets and 3 handwashing sinks. This is sufficient for the requested capacity of 16 children.

Outdoor play area - location, fenced or not, water hazards: The outdoor play area will be a park that is adjacent to the church. The equipment at the park will not be used. The open, shaded space will be used by the children. There are no water hazards present.

Documentation if a lead hazard risk assessment was required and the results: The building was constructed in 1995 and no lead hazard risk assessment was required.

Documentation of playground safety: There are no large climbers or other equipment located in the outdoor play area that requires a playground inspection be completed.

B. Program Description

Ages of children served: This program will serve children ages 3 through 6 years.

Proposed days and hours of operation: This program will operate Monday through Thursday, 8:30am to noon.

Full or part time (AM or PM sessions or both): Children will attend part time every morning Monday through Thursday

Other program components - transportation, swimming, food service: There are no other components used by this program.

Name of program director and under what rules the program director is qualified: Amy Lewis, the licensee, is also the approved program director. She is qualified under R400.8113(7)(d) and (9).

Is there a central administrator that meets the administrative requirement? A Central Administrator is not required

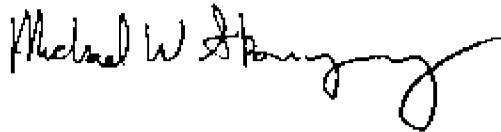

Explanation of variance(s), if any: There are no variances for this facility

C. Rule/Statutory Violations

There were no rule/statutory violations at the time of the inspection.

IV. RECOMMENDATION

I recommend issuance of an original license to this child care center.
