Dear Mrs. Kinkema:

This letter is a follow-up to the on-site inspection conducted at your center on 05/24/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

When I arrived for the inspection, Ms. Kinkema and the program director were absent from the building. Lead caregiver in the infant room was the designated staff member in charge. Forty-five children were in care with eight child care staff members. I had an opportunity to talk with each staff member and answer any questions they had. Children in care were resting and the classrooms were well organized for children in care. When I return in June for a follow-up inspection, I will review staff and children's files.

As a result of the inspection, I did not find any rule or law violations.

You can find a copy of this confirming letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when confirming letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at 517-284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in black ink that reads "Sharon VanOrd". The script is cursive and fluid, with the first letters of each word being capitalized and prominent.
