RE: License # DC570374509
Little Blessings
10540 S Lucas Rd
McBain, MI 49657

Dear Mrs. Kinkema:

This letter is a follow-up to the on-site inspection conducted at your center on 06/20/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

While onsite, I reviewed the center's paperwork process for children and staff. Forty-eight children were in care with six child care staff members. Children and staff were on the playground engaged in sand play, caterpillar care, riding small toy vehicles, and conversing with friends. Classrooms were observed to be organized and inviting for the children. During the inspection, a few parents arrived to pick up their children from care. Interactions were positive between parents and staff.

As a result of the inspection, I did not find any rule or law violations.

You can find a copy of this confirming letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when confirming letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at 517-284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,
