Dear Mrs. Kinkema:

This letter is a follow-up to the on-site inspection conducted at your center on 09/07/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

When I arrived seven child care staff members were providing care to thirty children. Children in the space classroom were finishing meatballs, bread, banana, pickles, and milk. Children expressed their happiness at having meatballs for lunch. I had an opportunity to talk briefly with each staff member and observe in each classroom. Each classroom was organized and inviting for children.

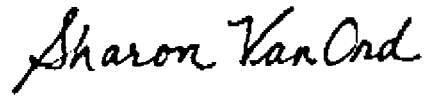

As a result of the inspection, I did not find any rule or law violations.

You can find a copy of this confirming letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when confirming letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at 517-284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,
