Dear Ms. Wade:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 10/20/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

At the time of this onsite inspection, there were 14 children and 3 childcare staff members. I observed snack and outdoor play. All caregivers interacted with children in a developmentally appropriate manner. Caregivers met the needs of children promptly, and in a kind manner. There were no safety concerns.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
