Findings of the Inspection

A copy of this Interim inspection report and any associated corrective action plans is available on the Child Care Licensing Bureau [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when interim inspection reports are completed can be found under [Overview of Licensing Reports](#).

The purpose of the Interim inspection was to determine compliance with applicable licensing statutes and administrative rules for child care Center.

As a result of the Interim inspection on 12/19/2023, licensing consultant Tanara Abner did not find any rule or law violations.

During the on-site inspection I observed handwashing after drop off, open play, and table choices. Interactions between Child care staff members and children were appropriate and nurturing.

If you have any questions regarding the report, please contact licensing consultant, Tanara Abner, at 734-255-4395. In the event that Tanara Abner is not available and you need to speak to someone immediately, please contact the Child Care Licensing Bureau at 517-284-9730.
