Approved Child Use Space:

Ida Kids Center is located in the east wing of Prince of Peace Lutheran Church in Ida. The center utilizes four rooms as approved child use space: toddler room, preschool room, daycare/school-age room, and the gymnasium/multipurpose room. The center offers both fulltime and part-time childcare, preschool and before/after school programming Monday through Friday from 6:00 am until 6:00 pm, year-round. The parents provide breakfast and lunch for the children. The center provides a morning and afternoon snack for the children. Transportation is provided by the parents and Ida School District.

During my onsite inspection on 10/11/22, I observed the children during small and large group activities, lunch time, and preparing for nap/rest time. I also observed both parents drop off and pick up their children. All of the rooms were equipped with an adequate amount of age-appropriate play and learning equipment conducive to a preschool and childcare setting. The center provides the children with daily various activities that include circle time, name and letter recognition, counting activities, music and reading instruction, and various arts and craft activities. Caregiver interactions with children were positive and nurturing.

Approved Program Director: Ms. Nancy Hunter is the approved program director.
 Approved Central Administrator: None
 Approved Variances: None
 Key Indicator Inspection: No

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care center administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the center's records, including staff records and children's records. Staff records include background checks and training information. Children's records include child information cards, physical examination dates, and immunizations.

The facility is in compliance with all applicable rules and statutes.

IV. RECOMMENDATION

I recommend issuance of a regular license to this child care center.
