You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R400.8143 Children's records	The center had a daily attendance record that included the child's first and last names. However, the daily attendance record was lacking each child's daily arrival and departure times.	Licensee designee Steven Krause will assure the center maintains an accurate daily attendance record at the center that includes each child's first and last name and each child's arrival and departure time. Electronic records (if utilized) will be available to the department at time of inspection.	12/12/2022
