Dear Small Steps Big Dreams LLC:

This letter is to advise you that the 02/08/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R400.8131(12) Professional development requirements.	Ms. Szenderski and one child care staff member sis not have written documentation on file showing successful completion of the required health and safety ongoing refreshers training through MiRegistry for 2021.	Ms. Szenderski, licensee designee will assure all child care staff members complete the required ongoing health and safety refreshers training through MiRegistry within six months of the notification. This violation is being corrected and will be maintained.	02/08/2022
R400.8305(2)(b) Plan review; approval; inspections.	At the time of renewal, Ms. Szenderski did not have an environmental health inspection with an "A" rating completed by the	Ms. Szenderski, licensee designee will assure an environmental health inspection is completed, every two year at the time of renewal with an "A"	02/08/2022

	local health department. The health department completed the inspection on 1/24/22 and are currently awaiting the final inspection report.	rating completed by the local health department. Our environmental health inspection was completed on 1/24/22 and am awaiting the final inspection report from the health department. This violation is being corrected and will be maintained.
