Dear Christie Reissig,

This letter is to advise you that the corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8380(1)	There was flaking or deteriorating paint on interior surfaces in the classrooms that were accessible to children.	The entire building is set to be painted in August 2024.	9/27/2024
R 400.8137(1)(b)	The infant/toddler room does not have a hand washing sink within close proximity of their diapering area.	The center will be installing a sink directly in their infant/toddler room so the staff doesn't have to wash their hands in the communal bathroom.	8/30/2024

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
