Approved Child Use Space: Dundee Preschool (GSRP) inside of Dundee Elementary School in Dundee. Dundee Elementary School is an active school building serving children grades kindergarten through fifth grade. The center utilizes two rooms as approved child use space which include classroom 34 (GSRP) and the multipurpose room for large motor skilled activities.

The center offers fulltime preschool Monday through Friday from 7:50 am until 2:350 pm through the school year. The center provides meals and snacks for the children that are prepared in a centralized kitchen in the school building operated by the Dundee School District. Transportation is provided by the parents and Dundee School District.
Approved Program Director: Ms. Amanda Plum
Approved Central Administrator: Mr. Edward Manuszak II
Approved Variances: None.
Key Indicator Inspection: No.

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care center administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the center's records, including staff records and children's records.

Staff records include background checks and training information. Children's records include child information cards, physical examination dates, and immunizations.

The facility is in compliance with all applicable rules and statutes.

During my onsite inspection I observed large group, lunch time and music and movement. Interactions between child care staff members and child care children were positive. A rule review was provided in regards to maintenance of premises, health and safety trainings, and plans for relocation and reunification.

IV. RECOMMENDATION

I recommend issuance of a regular license to this child care center.
