Dear Ms Last:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 09/29/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations.

During the on-site inspection I observed the children engaged in quiet time activities. The center is located inside an active school building. The children receive care during the school year. Food is provided by the schools licensed kitchen. The center does not provide transportation or swimming.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at 517-262-9717.
