Dear Ms. Roe:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 05/24/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations.

During my on-site inspection I observed outside time, hand washing before lunch, naptime and pick up time for half day children in the preschool program and the three-step process after diapering. The child care staff members interactions were appropriate and very caring.

Technical assistance was provided regarding infant crib sheets which will need to be replaced soon. The sheets in reference were not in use at the time of inspection. I also reminded the Infant child care staff members to please make sure not to place blankets in cribs when laying infants down for nap time.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
