Dear Ms. Salenbien:

This letter is to advise you that the 06/08/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

| Violation cited  | Noncompliance observed   | Plan to correct   | Date to be completed |
|------------------|--|---|----------------------|
| MCL 722.115n(16) | An individual currently connected to this child care facility has an Eligibility Renewal that has expired. | Ms. Salenbien will ensure all individuals that require a renewal of their background checks are completed through the CCBC system, will connect or disconnect individuals and will disconnect any individuals found eligible in CCBC. | 06/08/2023           |

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.
